We are very excited about all the students hoping to develop as a leader as they work as a Youth Summer Intern this upcoming summer. This program is intended to be treated as a part-time work placement. Understanding that this is a special program, below are a couple expectations students who are participating in the program are required to adhere to as they work as a Summer Intern at HopeCity Church.

### **YOUTH SUMMER INTERNSHIP EXPECTATIONS**

- Show up on time to their required days of work (9am arrival Tuesdays and Thursdays), and remain on site until dismissal (1pm Tuesday and Thursdays).
- Work hard and diligently throughout the course of the summer at anything assigned to them.
- Ask for clarity as needed whenever facing a task they are unsure about.
- Treat this as a part-time summer job as far as responsibilities and commitments.
- Have a positive and willing attitude.
- Be willing to try something new that may be outside their comfort zone.
- Strive to work well with others on HopeCity Church Staff and other Youth Summer Interns.
- Try their best to maintain a lifestyle that is consistent with a practicing Christian. I will honour God is public and in private.
- Notify their supervisor in the event that there is an issue keeping any of these above expectations.

### **SIGNED AGREEMENTMENT**

I will try my best to keep all of the above expectations of a *Youth Summer Intern* during my internship this summer. I understand, that if I am found in repeated violation of the expectations this will result in a conversation with my supervisor, that will determine the course my involvement this summer.
